Why he called: **refill** · in his words

✂ End call

LEGAL STATEMENTS

✓ Greeting

Harry is asking why his metformin cost \$27 this time

NEXT BEST ACTION

i Answer

He used a different pharmacy this time

Oak Street is a preferred pharmacy on his plan. Lakeview is not, so the same 30-day supply costs more there. His plan did not change.

18 Aug · Oak Street Pharmacy · he paid **\$8.00**

His claims

16 Sep · Lakeview Pharmacy · he paid **\$27.00**

His claims

Preferred pharmacy \$8 · other pharmacies \$27

From Harry’s claims
16 Sep 2026 · Lakeview Pharmacy · metformin 500 mg
· 30-day supply · member paid **\$27.00**

✂ End call

LEGAL STATEMENTS

✓ Greeting

Harry is unsure about changing pharmacies

NEXT BEST ACTION

💬 Reply to a concern

He can keep his pharmacist and still see the prices

“You can keep using your pharmacy. Would it help to see the prices side by side?”

Humana-approved reply · never repeat after a clear no

Thumbs up if you use it · thumbs down to skip it

📄 Enrollment

👤 Requires human permission

Read this back to Harry, then submit

“You want the CenterWell pharmacy service for future metformin fills. Atorvastatin stays at your pharmacy. Today’s refill stays at Lakeview. This does not order medication or start automatic refills. Shall I submit that?”

Harry said: “Yes, for metformin only.”
